

Mud Monsters

A great fun outdoor activity that can be done in the garden with children of all ages.

What you will need:

Soil/Mud

Leaves, sticks, other garden debris

A wall or tree

Method:

- 1) Collect your leaves, sticks and bits and bobs.
- 2) Mix up your mud or soil with some water to make it a mushy wet consistency.
- 3) Apply a large dollop of the mud to an outside wall of the house or tree trunk.
- 4) Get creative with your sticks, leaves and other bits to make your scary mud monster....it really is that easy!!

Here are some of our Scary Mud Monsters
